NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 1984

1. SIGNIFICANT ACCOUNTING POLICIES

The financial statements have been prepared in conformity with accounting principles prescribed or permitted by the Department of Insurance of Canada and within the framework of accounting policies summarized below.

a) Investments

Bonds are carried at amortized cost. Accordingly, premiums and discounts are amortized over the term of maturity based on the yield at the purchase date.

b) Premium Income

Premiums are taken into income as they fall due.

c) Actuarial Reserves

Policy reserves for insurance and annuity contracts are calculated in accordance with the Alberta Insurance Act.

2. COMPANY OPERATIONS

The company was incorporated under Chapter 119 of the Statutes of Alberta 1965, assented to April 12, 1965. The Company was licensed on January 1, 1966 and commenced business on that date. On May 30, 1972 the Company's license to sell insurance was cancelled by the Government of the Province of Alberta under the provisions of The Alberta Insurance Act, and on May 31, 1972, as indicated in Note 5, the Government of the Province of Alberta guaranteed the contractual obligations of the Company to the policyholders. An interim liquidator was appointed to supervise the operations of the Company until November 7, 1972. At this time the firm of Thorne Riddell, Chartered Accountants, was appointed to administer the operations of the Company pursuant to Section 178.2 of The Alberta Insurance Act. Concurrently a restricted license to sell insurance was granted to the Company but effectively no new insurance has been written since May 31, 1972.

Under the terms of Section 178.3 of The Alberta Insurance Act the administrator assumes all of the powers of the shareholders and directors of the Company as well as the powers and duties conferred or imposed upon him by the Lieutenant Governor in Council and the shareholders and directors may not exercise their respective powers.

3. POLICYHOLDER DIVIDENDS

Under the terms of the agreement between the Government of Alberta and certain major creditors more fully explained in Note 5, the Government has undertaken to use its best efforts to ensure that a dividend policy is maintained in order to conserve the participating business of the Company. In accordance with this undertaking the administrator is maintaining the previous dividend policy.

4. COINSURANCE AND REINSURANCE ARRANGEMENTS

In prior years the Company made arrangements and carried out transactions involving the coinsurance and reinsurance of various blocks of its insurance business and the recapture of portions of the business coinsured and reinsured with a number of reinsurance companies.

These transactions resulted in credits to income in the year the arrangements were made since the proceeds primarily represented the recovery of costs previously incurred. Future profits or losses on this business accrue to the reinsurer, or to the extent the recapture provisions are exercised by the Company, the costs of recapture will result in corresponding charges to income.

5. DUE TO GOVERNMENT OF ALBERTA

As of May 31, 1972 the Government of the Province of Alberta entered into an arrangement with certain major creditors of the Company whereby the Government guaranteed to each of the other parties that the contractual obligations of the Company to the policyholders would be met and the major creditors agreed to reduce their claims against Rocky Mountain Life Insurance Company in amounts totalling $310,000 and to assign these balances to the Government. Subsequent to this arrangement, an additional $100,000 was advanced by the Government to the Company.

Rocky Mountain Life has received a guarantee by the Government for loan repayment of a principal sum not to exceed $130,000 plus interest on a loan from the Royal Bank of Canada.

6. PIONEER POLICY

Under the provisions of the Pioneer Policy, which was introduced by the Company in 1968 all holders thereof are entitled to not less than 10% and not more than 25% of all amounts available for payment as dividends to the shareholders of the Company. Such amounts were to be determined and apportioned annually by the directors of the Company. No such apportionment has been made to date.

7. SEGREGATED FUNDS

Under the terms of certain life insurance policies, a portion of the premiums thereunder is allocated to either a guaranteed interest account or to segregated funds.

Details concerning those monies allocated to the segregated funds are as follows:
